

# A COAST- TO-COAST Comparison

**BNSF & Norfolk Southern's coast-to-coast service is 30% faster than all-highway options.**

BNSF and Norfolk Southern's seamless interchange can move your time-sensitive trailers over 2,800 miles in only 90 hours. It's the faster option to move your high-priority truckload freight between Southern California and the Northeast, and it's also significantly less expensive and better for the environment than a truck-only solution.

## Railway is the Right Way.

Choose BNSF and Norfolk Southern for a fast, cost-effective way to:

- > Pay significantly less than all-truck options.
- > Access the heart of the retail distribution network.
- > Reach 63 million people or 21% of the U.S. population.
- > Move perishables including fruits, vegetables and frozen goods.
- > Move fashion and high-value freight.
- > Provide your customers with an environmentally friendly transportation solution.
